CAST INFORMATION

Dress Rehearsal:

Friday, May 22nd at 6:00 PM
Sussex County Community College

All Pre-K and 5-9 Combo students are not required to attend the dress rehearsal. For the youngsters in the Combo classes that do attend the dress rehearsal, we will go thru their dances first and then they will be allowed to leave. Please note, it is often a very helpful experience for the younger kids to practice on the stage before they have to actually perform. Rehearsal is mandatory for all Beginning Level students and higher. They will be asked to wait for thier turns as we will run in order of the show. We are hoping that we will be done around 8:30 PM. This is an approximate ending time. Because we are 30-minutes, or more for some of you, away from home, we recommend signing up for our car pool. We will also allow parents to quietly watch the rehearsal, however, this is a courtesy for parents only; not grandparents, uncles, aunts, friends, etc. Please do not abuse this or we will be forced to close rehearsals in the future.
